# reducing the fear of crime

Community Action & Support  
Against Crime

## about...

Casac Crime Alert is a simple to use, FREE, online system that allows you to register with the CASAC website to receive email and text message alerts when there is suspected criminal activity underway in your chosen area.

All data is stored securely in accordance with the Data Protection Act and even though the registration is through CASAC website, all information will in fact be held in a completely secure and separate system.
